

CASS Summer Learning Conference 2021 August 16 and 17, 2021 - 8:30 am – 12:00 am

CASS Professional Learning Goal – 2020-21

Deepening the understanding and applying the learning to support implementation of professional practice.

The **outcomes** for the summer learning opportunity will **focus on**:

- learning and networking with colleagues from your school authority, zone and across the province.
- continuity of learning, workplace wellness, supporting school leadership during this time, and preparations for students' learning in relation to literacy and numeracy.
- correlating all learning to SLQS and LQS in preparation for CASS's regulatory status in 2022.
