What you liked/disliked about dual credit programming?

- Last year I did a vet tech one. I loved the whole course
- Love the HCA opportunity, my daughter has enjoyed it and done very well huge opportunity for these highschool students
- I like that I am able to get a head start on my college courses while still in high school.
- Sign language. I took it and it was nice to know that I had the ability to learn a new language and it was easy because it was online
- I am not currently aware of any existing dual credit courses/programs.
- I like that you can get credits and be able to do them at home if needed around other school work.
- I like that there are so many options
- I am not really aware of any

Any other comments regarding dual credits in Clearview?

- Please continue to make this available to students of clearview it's a huge opportunity to have college certifications in high-school
- Would love a list of current dual credit programs available.
- Start informing students and their parents earlier of this dual credit courses and programs.
- This looks appealing for my grade 9 kid who likely won't attend university but likely to attend college or trade school
- I love the idea, but more courses toward University / degree programs would be great
- I just want to learn more about it
- my daughter is very interested and excited to try this duel credit program
