Data-Informed System Education Leadership

Continuing the Conversation

CASS Fall Conference
November 5, 2026

Today: connect • collaborate • commit

CASS College of Alberta School Superintendents

Continuing Education Program

What We Heard This Morning

Insert cluster image of topics from the morning.

Continuing Education Program

A Question for the Room

Which of these themes is becoming most important in your jurisdiction?

Insert cluster image of topics from the morning.

Continuing Education Program

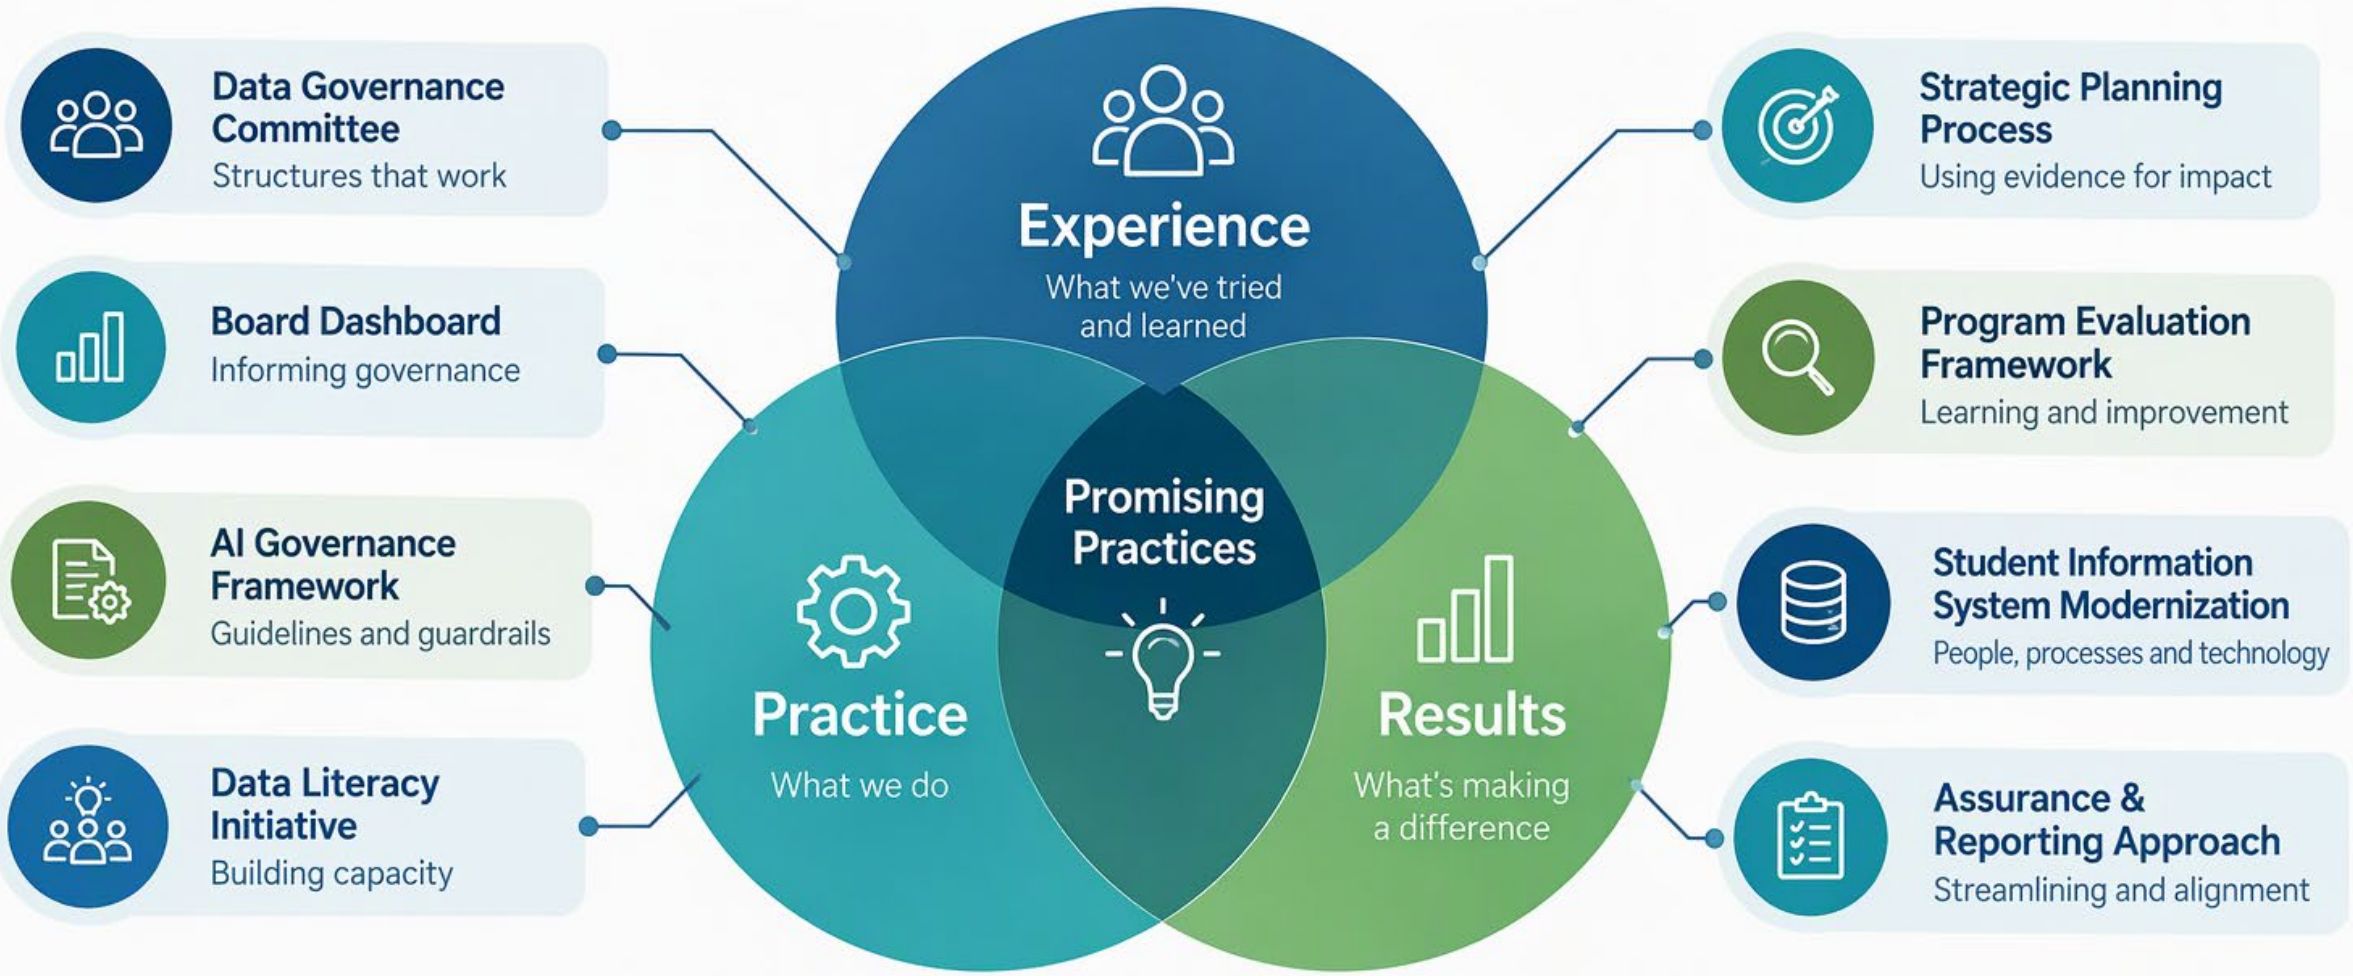

What is Changing

Continuing Education Program

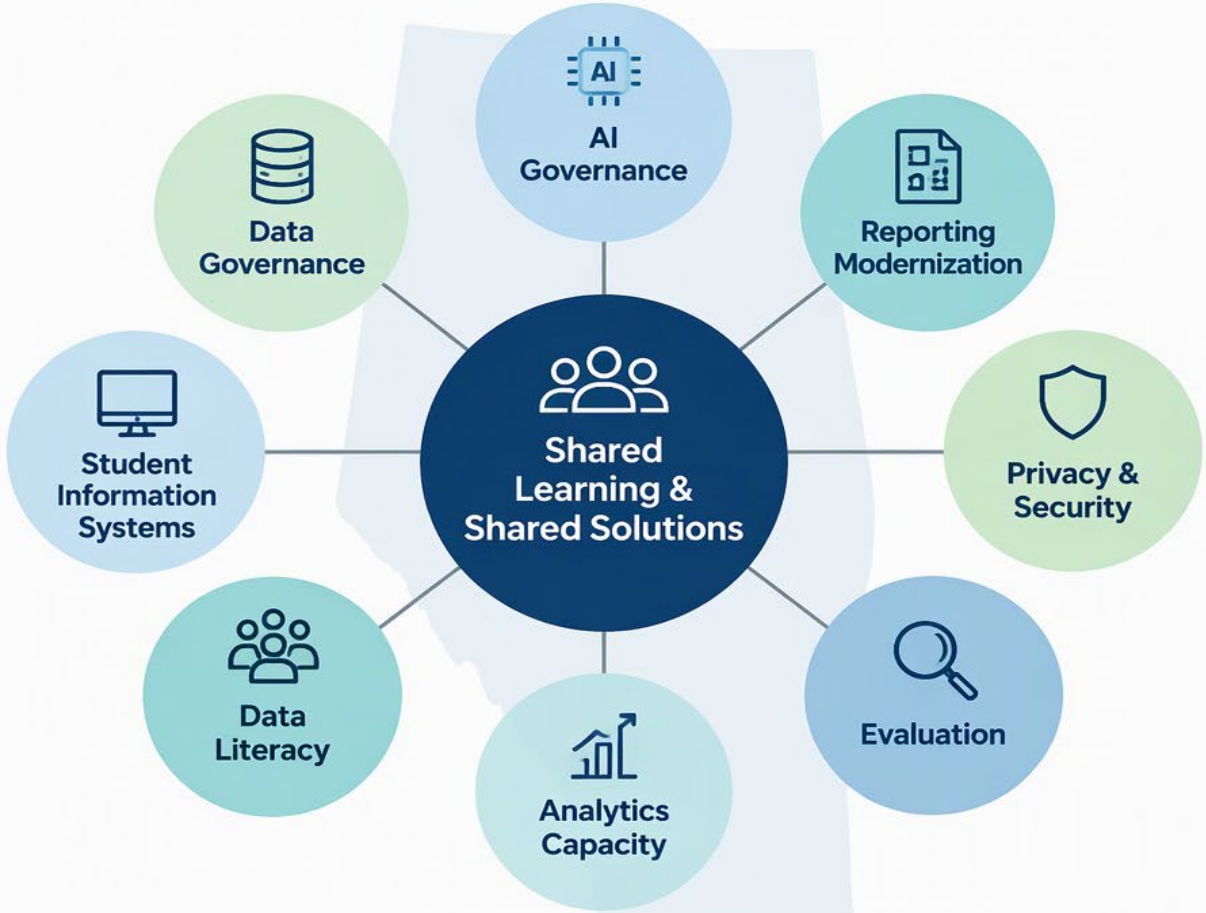

What practice or approach in your jurisdiction could benefit others?

What is working well enough that another Alberta school authority could learn from it?

Learning Together

Which issues should Alberta school authorities not be solving independently?

What Should This Community Become?

If this Community of Practice is successful three years from now, what would participants say they gained from participating?

Continuing Education Program

Possible Future Priorities for this Community

Add list of emerging priorities during session

Continuing Education Program

What We Learned Today

Current Challenges

Emerging Opportunities

Future Priorities

Thank you!
